Discount details

★Tokyo/Osaka Metropolitan Sections Excluded

- Provincial sections (Tokyo/Osaka Metropolitan Sections, Daini Shinmei Road and a few others* excluded) of expressways operated by NEXCO East/Central/West (the 3 NEXCO companies).
- Drive through the entry interchange(s) equipped with ETC, using the ETC radio communication driving system with the ETC Card registered with the ETC Mileage Service.
- Drive through the tollgates (entry or exit) between 06:00 and 09:00 or between 17:00 and 20:00.
- Within any one period, only the first usage is eligible for the Weekday Morning & Evening Discount.
- The usages eligible for the Holiday/Late Night/Aqua-Line discounts are excluded from the Weekday Morning & Evening Discount.
- Payback will be applied on the tolls of applicable road sections up to 100km only, according to the number of monthly usage eligible for discount within any one month (the 1st day to the last day of the month).
- Payback will be made on the 20th day of the month following the month of actual usages through the ETC Mileage Service Payback (to be used to pay for the future toll payments).

Number of monthly usages eligible for discount	Reimbursed rate
5 - 9 times	Max. 30% of the toll (up to 100km only) reimbursed
10 times or more	Max. 50% of the toll (up to 100km only) reimbursed

* In addition to the Metropolitan sections, the following are also excluded: Daini Shinmei Road, Minami-Hanna Road, Kanmon Tunnel. For Minami-Hanna Road, a separate discount is available.
 * According to the number of monthly usage, the tolls equivalent to 100km for provincial sections will be partly reimbursed. (5-9 times: about 30%, 10 times or more: about 50%).
 * Shin-Shonan Bypass section excluded for the time being.

STEP 1 Register with ETC Mileage Service

You must be registered with the ETC Mileage Service into the ETC slot of the vehicle before passing the tollgates (entrance or exit) using the ETC radio communication driving system during the following periods: weekday morning (06:00 - 09:00), weekday evening (17:00 - 20:00).

* If you are already registered, you don't have to re-register.
 * ETC Corporate Card is not accepted for registration.

STEP 2 Drive using ETC radio communication driving system during the weekday morning/evening periods

Insert the ETC Card registered with the ETC Mileage Service into the ETC slot of the vehicle before passing the tollgates (entrance or exit) using the ETC radio communication driving system during the following periods: weekday morning (06:00 - 09:00), weekday evening (17:00 - 20:00).

* Only the first time usage within any one period (morning and/or evening) is eligible for discount. The subsequent usages are not eligible for discount, nor counted as the number of accumulative usages.

STEP 3 We will check your monthly usage

We will calculate the number of usage eligible for discount within any one month (the 1st day to the last day of the month). If the number of usage has reached either of the tiers, the discount will be applied on the tolls according to the eligible discount rates (5-9 times: about 30%, 10 times or more: about 50%).

* The discount rate will be applied on the toll of each usage to calculate the payback amount. For our calculation methods, please refer to the usage examples on this page or the websites, etc. of the road companies.

STEP 4 The payback will be made on the 20th day of the following month. Reimbursed amount can be used to pay for future toll payments

The payback will be made on the 20th day of the month following the month of actual usages through the ETC Mileage Service Payback (to be used to pay for the future toll payments). This can be used for the toll payments on or after the day of payback.
